10 Sep 2015

Società Geografica Italiana - Rome, Italy

Stefano Mariani (ISPRA) and Martina Bussettini (ISPRA)

stefano.mariani@isprambiente.it [3]

The 4th REFORM National Stakeholder Workshop took place in Rome in September 2015. This event aimed at presenting the outcomes achieved by the project to all Italian stakeholders and policy makers involved in the management of river basins at national level. The presentations given by the speakers during the event can be found in the links below.
